Think Like a Historian: Vimy in Letters

To mark the centennial of the Battle of Vimy Ridge and help educators and students think critically about primary sources, Historica Canada has created the *Think Like a Historian* series of videos and worksheets.

These worksheets accompany the video *Think Like a Historian: Vimy in Letters* (Francis Bathe), which explores a letter written by Francis Bathe to his sister May following his experiences at the Battle of Vimy Ridge.

To complete these worksheets, students may want to watch the videos more than once. Turning on the subtitles can help second language learners understand the content. Watch the video as a class at least twice before beginning the worksheets.

Visit thinklikeahistorian.ca to view all of the videos in the series and download additional free, bilingual educational resources. We hope this series will help you teach students how to analyze primary sources.
