Here's My Canada Timeline

In 2017, Canada turns 150! In marking Canada's sesquicentennial, Historica Canada is highlighting 50 events that have helped shape our country since Confederation. At the same time, it is important to note that the human history of what is now known as Canada began well before 1867. Indigenous peoples lived on this land long before European contact, and have histories that significantly predate modern Canada. We can look back upon many proud moments in our history, but must also examine many critically.
